

Statement of Intention

(Select & check the appropriate box or boxes)

A. Intent to Build

I (we) am applying for a loan to purchase or refinance a rural building site with the intention of constructing an eligible rural residence. This loan application is my (our) first step in obtaining financing for a single-family residence which I (we) will use as a permanent, year-round home to be located on the building site being financed. If this should change prior to loan closing, I (we) will notify CGB Agri Financial Services, Inc.

B. Intent to Sell

It is our intent to sell our existing home or other property as represented in my (our) loan request as soon as possible after moving into our new home. If this should change prior to loan closing, I (we) will notify CGB Agri Financial Services, Inc.
